Action Taken Report - Ref. MoM of the IQAC meeting held on 01/09/2017

Point: To frame quality guidelines for the conduction of tutorials and laboratory courses.

Actions Taken:

- The quality guidelines for the conduction of tutorials and laboratory courses discussed in the IQAC meetings have been communicated by the IQAC members to the faculty of all the departments. The guidelines are as follows:
 - Course instructor is expected to ensure that for every group each student from the group is actively contributing to the completion of the lab assignments.
 - Lab assignments to be made increasingly challenging depending upon individual students' capabilities and interests.
 - One-on-one guidance can be provided to the students by the instructors depending upon the need. Emphasis can be on "concept building" rather than on mere procedure implementation.
 - The instructors can include one or two open-ended lab assignments in the course.
- Review of the implementation of the same has been taken by the Heads in the respective departmental meetings.

Point: To come up with ways to create awareness on the NPTEL courses among faculty members.

Action Taken:

- A senior faculty member (Prof. Sharada Ohatkar) has been appointed as the Coordinator to provide information to the faculty members & the students on the NPTEL courses periodically.
