

Placement Scenario and Department Industry Interaction

- The department has a good rapport with the industry. For the past 23 years, Forbes Marshall, a leading industry in the Instrumentation field, awards a prize to the best project of the final year students.
- The department has signed an MoU with following organizations:
 - Emerson Exports Engineering Center
 - ifm engineering pvt. ltd
 - Uni-tech Automation Pvt. Ltd.
- Emerson has gifted a DeltaV DCS system with SIS for the educational benefit of students.
- Emerson has gifted the Radar Tank Level Gauge to the department
- Forbes Marshall has gifted the SWAS (Steam and Water Analysis System) and flow meters for the educational benefit of students.
- Final year students work on statements given by the industry as their final year projects
- More than 70% of eligible students are placed every year. The following companies have been recruiting students of this department consistently for more than three years: Emerson, Honeywell, Forbes Marshall, Thermax, Air Products, GE (Wabtec), Siemens, Adverb, Deloitte, Amazon, Accenture, Capgemini.
- The maximum package given to the students this year (2019-20) is 9 lakhs per annum.
- 56 students have been placed through campus recruitments in 2021-22
- 33 students have been placed through campus recruitments in 2020-21
- 51 students have been placed through campus recruitments in 2019-20
- 36 students have been placed through campus recruitments in 2018-19
- 29 students have been placed through campus recruitments in 2017-18.
