MKSSS's

Cummins College of Engineering for Women, Pune
(An Autonomous Institute Affiliated to Savitribai Phule Pune University)

Students Feedback on curriculum

2019-2020

Analysis Report

Second Year

Sr. No.	Question	Reponses	Percentage
1	Do you think the number of allotted lectures/practical are sufficient to cover the entire syllabus of most of the courses in your curriculum?	Yes	84.9%
		No	15.1%
2	With the given number of courses per semester do you get sufficient time for self study and other activities?	Yes	67%
		No	33%
3	How do you rate the usefulness of the curriculum content in terms of concepts building?	Very Useful	40.6%
		Moderately Useful	58%
		Not Useful	1.4%
4	How do you rate the transparency of the assessment process?	Completely Transparent	50.6%
		Partially Transparent	46.2%
		Non Transparent	3.2%
5	Are adequate and appropriate learning resources available for the course? (availability of reference books, text books, e-books, reading material, etc.)	Yes	85.7%
		No	14.3%
6	Do you find laboratory sessions useful to get hands-on experience related to the course content?	Very Useful	53.2%
		Moderately Useful	41.6%
		Not Useful	5.2%
7	Do you think tutorials help for better understanding of the subject?	Helpful to large extent	62.2%
		Helpful to some extent	35.7%
		Not Helpful	2.1%
8	Do you think audit courses (like self expression..., Courses without examination) should be included in the program?	Yes	87.6%
		No	12.4%
9	Do you think that humanities courses like Principles of Economics and Finance are useful for getting exposure in the related fields?	Very Useful	61.2%
		Moderately Useful	33.3%
		Not Useful	5.5%

Third Year

Sr. No.	Question	Reponses	Percentage
1	Do you think the number of allotted lectures/practical are sufficient to cover the entire syllabus of most of the courses in your curriculum?	Yes	91%
		No	9%
2	With the given number of courses per semester do you get sufficient time for self study and other activities?	Yes	77.8%
		No	22.2%
3	How do you rate the usefulness of the curriculum content in terms of concepts building?	Very Useful	54.7%
		Moderately Useful	44.3%
		Not Useful	0.9%
4	How do you rate the transparency of the assessment process?	Completely Transparent	45%
		Partially Transparent	51.7%
		Non Transparent	3.2%
5	Are adequate and appropriate learning resources available for the course? (availability of reference books, text books, e-books, reading material, etc.)	Yes	85.5%
		No	14.5%
6	Do you find laboratory sessions useful to get hands-on experience related to the course content?	Very Useful	46.2%
		Moderately Useful	51.3%
		Not Useful	2.5%
7	Do you think tutorials help for better understanding of the subject?	Helpful to large extent	55.9%
		Helpful to some extent	42.5%
		Not Helpful	1.6%
8	Do you think audit courses (like self expression..., Courses without examination) should be included in the program?	Yes	87.5%
		No	12.5%
9	Do you think that humanities courses like Principles of Economics and Finance are useful for getting exposure in the related fields?	Very Useful	64.7%
		Moderately Useful	31.6%
		Not Useful	3.7%

Sr. No.	Question	Reponses	Percentage
10	For the offered program electives, were the prerequisite courses covered in the previous semesters?	Yes	44.5%
		No	5.5%
11	Are the program electives offered in relation to the Technological advancements?	Always	52.9%
		Most of the times	41.6%
		Sometimes	5.5%
12	Did the courses stimulate interest in the engineering field?	Always	52.7%
		Most of the times	39.7%
		Sometimes	7.6%
13	Would you like to undergo an internship in the industry?	Yes	93.5%
		No	6.5%

Final Year

Sr. No.	Question	Reponses	Percentage
1	Do you think the number of allotted lectures/practical are sufficient to cover the entire syllabus of most of the courses in your curriculum?	Yes	81.7%
		No	12.9%
2	With the given number of courses per semester do you get sufficient time for self study and other activities?	Yes	84.6%
		No	15.4%
3	How do you rate the usefulness of the curriculum content in terms of concepts building?	Very Useful	42.8%
		Moderately Useful	55.6%
		Not Useful	1.6%
4	How do you rate the transparency of the assessment process?	Completely Transparent	62.7%
		Partially Transparent	35.7%
		Non Transparent	1.6%
5	Are adequate and appropriate learning resources available for the course? (availability of reference books, text books, e-books, reading material, etc.)	Yes	82.3%
		No	17.7%
6	Do you find laboratory sessions useful to get hands-	Very Useful	50.8%

	on experience related to the course content?	Moderately Useful	47.6%
		Not Useful	1.6%
7	Do you think tutorials help for better understanding of the subject?	Helpful to large extent	55.6%
		Helpful to some extent	42.4%
		Not Helpful	1.9%
8	Do you think audit courses (like self expression..., Courses without examination) should be included in the program?	Yes	90%
		No	10%
9	Do you think that humanities courses like Principles of Economics and Finance are useful for getting exposure in the related fields?	Very Useful	72%
		Moderately Useful	27%
		Not Useful	1%
10	For the offered program electives, were the prerequisite courses covered in the previous semesters?	Yes	92%
		No	8%
11	Are the program electives offered in relation to the Technological advancements?	Always	49.5%
		Most of the times	44.4%
		Sometimes	6.1%
12	Did the courses stimulate interest in the engineering field?	Always	3%
		Most of the times	39.2%
		Sometimes	6.4%
13	Do you get an opportunity to choose multidisciplinary subjects through open electives offered?	Always	5.65
		Most of the times	39.9%
		Sometimes	4.5%
14	Would you like to undergo internship at the industry?	Yes	95%
		No	5%
15	Did you find the internship useful?	Useful	77.2%
		Moderately Useful	15.1%
		Not Useful	-
		I have not opted for internship	8%
16	Based on your experience of internship , how much should be the duration of the internship?	2 Months	22.5%
		3 Months	29.6%
		6 Months	39.6%
		I have not opted for internship	8.4%

17	Did the final year project help you to develop the following abilities; Problem Solving, Team Work, Presentation Skills, Project Management, Innovation	Problem Solving	81.5%
		Team Work	90%
		Presentation Skills	82.3%
		Project Management	77.2%
		Innovation	63%
