### **Short Report of the Activity:**

The theme was "*Journey of an Accidental Entrepreneur*" we were delighted to have Mr Durgesh Mangeshkar, an IIT Bombay graduate and Founder of IITian's Prashikshan Kendra, Pune as our speaker for the same.

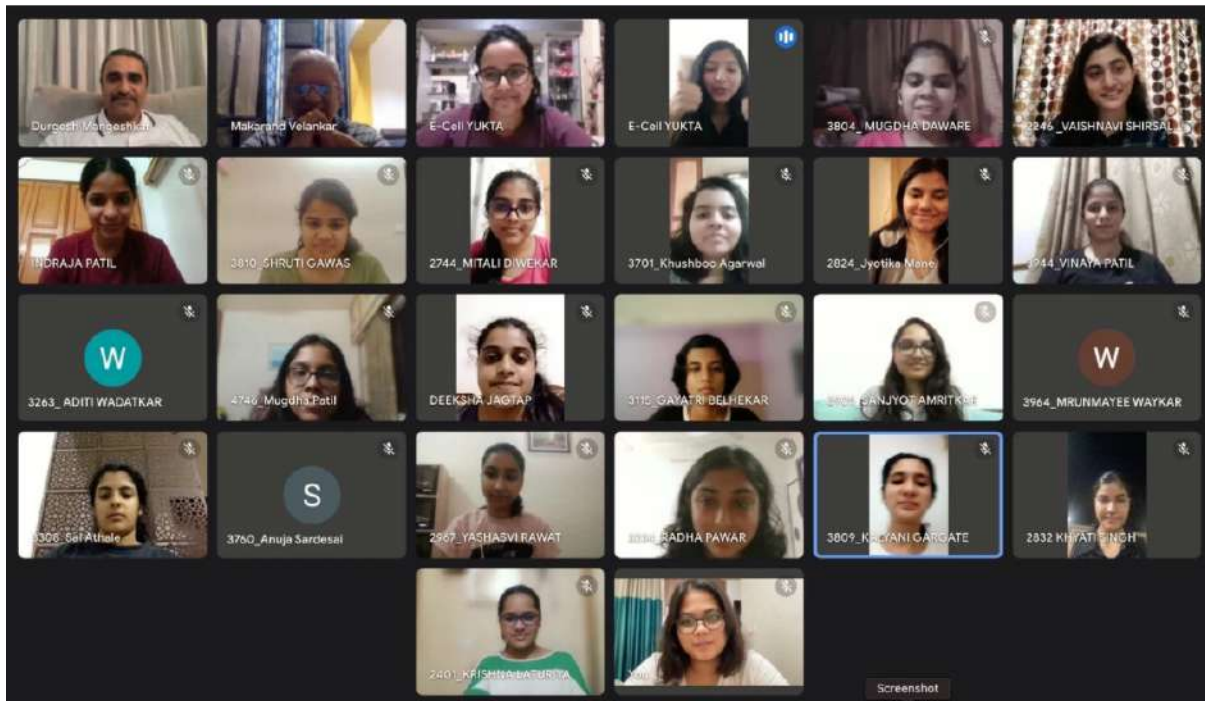

The session was centred around providing insights to budding entrepreneurs about the different aspects of starting a venture. Sir touched on various topics like government schemes, sustaining oneself in the market and how to achieve work-life balance. His much-valued mantra as an entrepreneur was: "learn, unlearn, re-learn."

Listening to his journey and experiences was tremendously motivating. He kept giving small tips for one's entrepreneurship journey throughout the session. We are grateful to Sir for his precious time and advice. The day has left a lasting impression on all the students who participated.

Objective of the session(in 2-3 lines):

To make the student know about design thinking, problem solving.

To familiarize them with the terms of innovation, patent, Entrepreneurship.

It's not possible to add many subjects in Engineering curriculum, so we try to give them introduction about those subjects by conducting such sessions

**Benefits of the session(in 2-3 lines):**

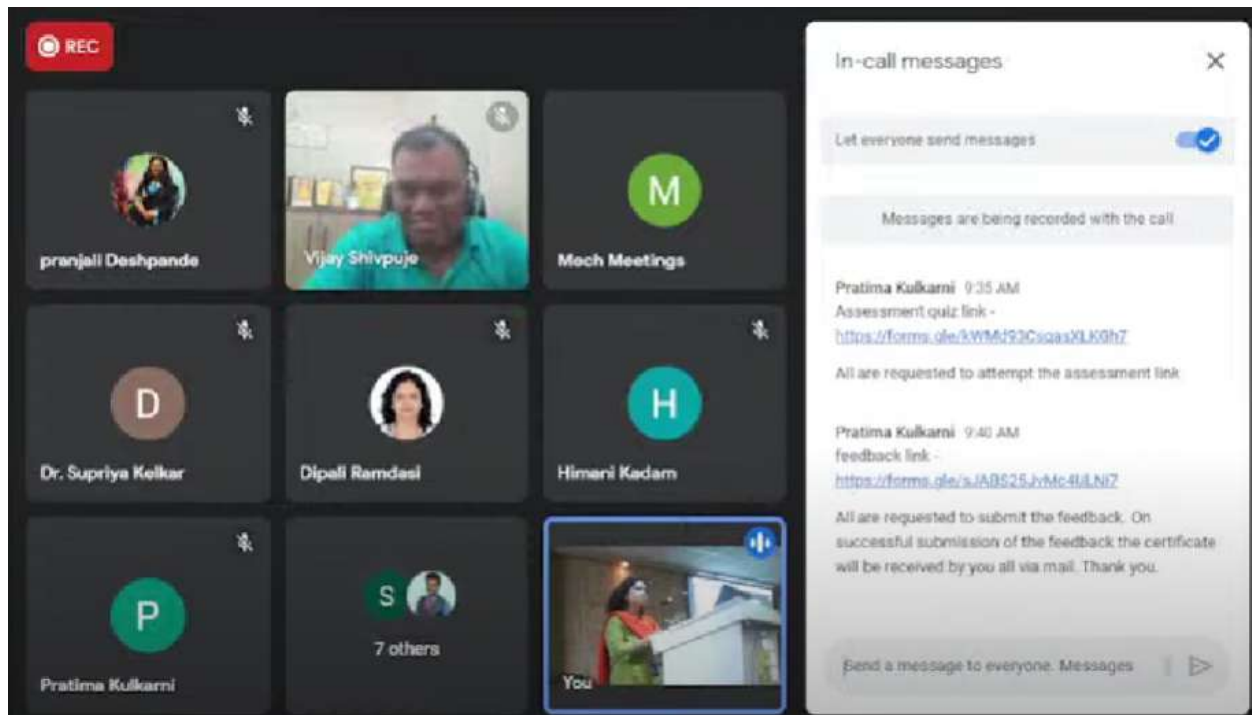

**Session-1: The speaker mentioned IP Rights, patent, copyright, trademark, trade secret requirements, protection against copyright, relevant statute. Also discussed about Patentability criteria, patented inventions. Students came to know about patents and copyright issues.**

**Session-2: The speaker mentioned components of creativity like domain relevant skills, creativity processes, Intrinsic task motivation.**

**Market oriented conversion processes. Sources of innovative opportunities. Innovation dimensions. Barriers to innovations. Students came to know about innovation.**

The poster is for an 'Innovative Business Idea Competition'. It features a yellow background at the top and a blue background at the bottom. At the top left is the Cummins logo, and at the top right is the Institution's Innovation Council logo. The text in the center reads: 'SPPU CIIE INNOVATION CELL & STARTUP AND INNOVATION CELL, IIC- CCOEW PRESENTS'. Below this is a large white lightbulb with the word 'Idea' written inside it. The text 'Sell your Idea If you can' is written around the lightbulb. Below the lightbulb, the title 'Innovative Business Idea Competition' is written in a large, white, serif font. Underneath the title, it says 'The last date to submit your idea is 20th October 2021. Certificates for winners and participants!'. At the bottom left, it says 'Contact us for more details-' followed by two phone numbers: 'Vaibhavi Nayak-8624089558' and 'Shruti Bharat- 8329552818'. At the bottom right, there is an illustration of three people interacting with a large lightbulb: one person is sitting on top of it, another is climbing a ladder to reach it, and a third is standing next to it.

**Objective of the session:** A platform for new ideas put forth by students, all of which were worth of taking ahead as start-ups

**Benefits of the session:** student groups presented new ideas and got a flare of the actual execution steps involved in the process of taking an idea into a startup

The Startup and Innovation cell in collaboration with the Institute's Innovation Cell (IIC) conducted this event for the AY 2021-22. The event was the Business Idea competition. Despite being conducted virtually due to the pandemic situation, the response was overwhelming. The competition saw the display of new ideas, the majority of which were worthy of being taken ahead into startups.

The competition was held in 2 phases. In the first phase, the participating teams presented their ideas to the college faculty judging panel. In the second phase, the teams presented their ideas to the panel of Industry personnel - Mr. Shailesh Sawardekar and Mrs. Rohini Mulay. Evaluation of both the phases was considered while deciding the winners. Three teams were selected as the winners. The prize consisted of a certificate and cash prize. The felicitation of the winning teams was held at the hands of the College Principal, Dr. Madhuri Khambete.

Winner details:

First position: Ms. Janhvi Shilawat and Ms. Sampada Sawkar

Second position: Ms. Akshata Jedhe, Ms. Shreya Pawaskar, Ms. Juee Ashtaputre, Ms. Riya Kulkarni and Ms. Payal Mehta

Third position: Ms. Prerana Ghorpade and Ms. Esha Chandaliya

These winning teams will represent our college in the cluster level competition held by SPPU CIIE Innovation cell and will get an opportunity to be associated with the pre-incubation center of SPPU.
