Dear Nidhi,

Congratulations! This letter serves as your official notification of admission to the Graduate School of Purdue University. I am delighted to welcome you to a community of more than 10,000 graduate students on our five campuses who come to us from every state in the Union and from more than 120 countries.

The information contained within the admission information sheet of this letter is essential to your enrollment. Careful reading of this material will make your transition to the Graduate School as smooth as possible. If you are unable to register for the session specified on the second page, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have concerning your admission and funding.

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.purdue.edu/gradschool is your source for detailed information about our programs, graduate student government and organizations, and the community.

We hope that you choose Purdue <<https://www.purdue.edu/gradschool/advancetopurdue.html>> and join us to make what moves the world forward!

Click here <<https://gradapply.purdue.edu/apply/form?id=5327be2d-1128-4544-9696-acb76415f2a3>> to submit your response to the offer of admission.

With best wishes for success at Purdue,

M. J. T. Smith, Ph.D.
Dean of the Graduate School
Michael J. and Katherine R. Birck Professor
Of Electrical and Computer Engineering

Admission Information Sheet for Nidhi Sakhala

PUID: 0029951613

Campus: West Lafayette (Main Campus)

Graduate Major: Computer and Information Technology

Course Delivery: On-Campus

Degree Objective: Master of Science (MS)

Term/Year: Fall 2017

Academic Advisor: Prof. John Springer

Residence Classification for Tuition Purposes:

Non Resident

Condition(s) of Admission

You must satisfactorily complete your undergraduate degree and submit to the Graduate School office (Young Hall, Room 170) your final undergraduate transcript. This condition must be satisfied before you will be permitted to register for sessions beyond your first session.

You must submit to the Graduate School office (Young Hall, Room 170) your original undergraduate diploma for verification. This condition must be satisfied before you will be permitted to register for sessions beyond your first session. If your undergraduate institution will not confer your degree until a future date, please obtain (and submit to the Graduate School office) a signed letter from your undergraduate institution that identifies when your degree will be awarded.

General Information

All faculty, staff and students have a career account. Your career account will give you electronic access to your @purdue.edu email account and other electronic services. This account is yours to use for as long as you are affiliated with Purdue University. You will need your PUID, which is provided in this letter, and your Purdue career account set-up password. The career account set-up password will be sent in a separate email to you within five business days of viewing your admission letter. Please access

<https://www.purdue.edu/apps/account/AccountSetup> with this information to activate your account. If you have already activated your Purdue career account, please disregard this message.

US Immigration Document: In order for the Office of International Students and Scholars (ISS) to issue you a US immigration document (I-20 or DS-2019), admitted international graduate students to Purdue University are required to complete the online NOTIFICATION OF INTENT (NOI), at the following link:<https://connect.iss.purdue.edu>. You must also attach scanned images of your official financial support documents, and you and your dependent's (if any) passport before an immigration document will be prepared and mailed.

In the section labeled "Full client Services for Students & Scholars", please click the blue Login button. Use your Purdue career account information to log in to myISS. On the left side of the myISS home page, click on Pre-Arrival, then click on Notification of Intent. You must complete all mandatory sections of the Notification of Intent, before we can begin to issue an I-20 or DS2019 for you. If you currently hold F-1 or J-1 status and are transferring to Purdue University from another US Institution, please also complete the SEVIS Transfer In Request.

International Students Interested in Graduate Teaching Assistantships: Before you may be considered for employment as a Purdue University graduate teaching assistant, you must receive certification for oral proficiency in English. Please note that any waiver of the TOEFL or IELTS (related to Graduate School admission) does not exempt students from the requirement to demonstrate proficiency in spoken English in order to be considered for a graduate teaching assistantship. Most graduate students are certified by taking Purdue's Oral Proficiency Test (the OEPT). Information about oral English certification for international students and access to the OEPT Practice Test is provided at the OEPT Orientation Website:<http://oepttutorial.org>. Make sure you have prepared for English language testing by taking the OEPT practice test, and if you have any questions about your department's English language certification requirements for international teaching assistants, please contact your department.

Important Tax Information for International Students: Each year, international students who receive any income originating from the United States are required to file a United States income tax return (Internal Revenue Tax Form 1040NR). International students pay tax on all income earned in the United States at the same rate as United States citizens. If there is a tax treaty between your home country and the United States, you may not be required to pay income taxes on a portion of your income.

Campus and Community Information: For information about Purdue University housing, and the Greater Lafayette community, visit www.purdue.edu/gradschool/admitted/relocation/.

Student Health Center: Completion of a medical history form and health insurance coverage is required. Links to the medical history form and additional health insurance information may be found at the Purdue University Student Health Center website: <http://www.purdue.edu/PUSH/>.

Housing: Purdue University Residences has housing for single graduate students in 1 person one bedroom apartments and 2 person two bedroom apartments. The space is furnished with bed, desk, and dresser for each student, and includes a kitchen with refrigerator and stove. Unfurnished one and two bedroom apartments are also available for married students or students with families. For more information, please contact the University Residences Directors' Office at ghapp@purdue.edu. <<mailto:ghapp@purdue.edu>>

Disability Services: If you need accommodations, auxiliary aids, or services because of permanent or temporary disabilities, please contact the Disability Resource Center, Office of the Dean of Students, Young Hall, Room 830, 155 S. Grant Street, West Lafayette, IN 47907. Telephone: 765-494-1247 (Voice/TTY). Web site: www.purdue.edu/drc/

Orientation for New Graduate Students: You are invited to attend a orientation for new graduate students on

Friday, August 18, 2017, beginning at 9:00 a.m. in Stewart Center's Loeb Playhouse. Your graduate program may also have an orientation or a required arrival date. If you have any questions, please contact your program prior to planning your arrival.

Any questions or required materials can be submitted to:

SCHOOL ATTESTATION

I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.2(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

X Lyndsey Frye **DATE ISSUED** 11 May 2017 **PLACE ISSUED** West Lafayette, IN
SIGNATURE OF: Lyndsey Frye, Immigration Counselor

STUDENT ATTESTATION

I have read and agreed to comply with the terms and conditions of my admission and those of any extension of stay. I certify that all information provided on this form refers specifically to me and is true and correct to the best of my knowledge. I certify that I seek to enter or remain in the United States temporarily, and solely for the purpose of pursuing a full program of study at the school named above. I also authorize the named school to release any information from my records needed by DHS pursuant to 8 CFR 214.3(g) to determine my nonimmigrant status. Parent or guardian, and student, must sign if student is under 18.

Hello Boilermaker!

You will find your new I-20 or DS-2019 included with this packet. Please review the information below carefully as you plan your journey to the United States.

Please do not make your travel arrangements until you have your visa in hand AND you have read the information below!

Follow this link to find helpful information about traveling to the United States to begin your academic program: <https://studyinthestates.dhs.gov/getting-to-the-united-states>

Please keep the following in mind as you prepare for departure:

___ You may not enter the US more than **30 days prior to the program start date that appears on Page 1 of your I-20 or DS-2019**. Please plan your travel accordingly!

___ You must pay the SEVIS I-901 fee online prior to going for your visa appointment.
Canadians must pay the fee prior to entering the U.S. <https://www.fmjfee.com/>

___ Before attending a **Mandatory International Student Check-in Session (MISCI)** you must complete the **Pre-Arrival & Orientation** e-forms. Visit <https://connect.iss.purdue.edu/> and submit the "New Student Check-In (PWL)" and "Upload I-94 Arrival Record (After US Arrival)" e-forms. Watch the required immigration video <http://www.iss.purdue.edu/Resources/Presentations/Immigration.cfm> then you **MUST** come to the ISS office during walk-in hours (MTWF 9:00-11:30 a.m.; MTWTHF 1:30-4:00 p.m.) to complete your MISCI session. Please remember to bring all documents including passport, visa, I-20 and I-94 record.

___ Please visit the following link to help with Purdue University pre-arrival questions: <http://www.iss.purdue.edu/Resources/Docs/Incoming/WOWed.pdf>

___ You must present your **Original I-20 or DS-2019(NO COPIES), Valid Passport, Valid F1 or J1 visa and original financial documents** when entering the U.S. Please place them in your carry-on luggage, and have them in your hand when you meet with the Customs and Border Protection Officer at the Port of Entry.

___ The I-94 *record of admission* is entered electronically for individuals entering the U.S. through air and sea ports. We encourage you to print your I-94 record of admission as soon as possible **AFTER** entering the U.S.: www.cbp.gov/I94

We are Purdue. What we make moves the world forward.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

Dear Vaishnavi,

Congratulations! This letter serves as your official notification of admission to the Graduate School of Purdue University. I am delighted to welcome you to a community of more than 10,000 graduate students on our five campuses who come to us from every state in the Union and from more than 120 countries.

The information contained within the admission information sheet of this letter is essential to your enrollment. Careful reading of this material will make your transition to the Graduate School as smooth as possible. If you are unable to register for the session specified on the second page, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have concerning your admission and funding.

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.purdue.edu/gradschool is your source for detailed information about our programs, graduate student government and organizations, and the community.

We hope that you choose Purdue <<https://www.purdue.edu/gradschool/advancetopurdue.html>> and join us to make what moves the world forward!

Click here <<https://gradapply.purdue.edu/apply/form?id=5327be2d-1128-4544-9696-acb76415f2a3>> to submit your response to the offer of admission.

With best wishes for success at Purdue,

M. J. T. Smith, Ph.D.
Dean of the Graduate School
Michael J. and Katherine R. Birck Professor
Of Electrical and Computer Engineering

Admission Information Sheet for Vaishnavi Radkar

PUID: 0029942209

Campus: West Lafayette (Main Campus)

Graduate Major: Mechanical Engineering

Course Delivery: On-Campus

Degree Objective: MS in Mechanical Engineering (MSME)

Term/Year: Fall 2017

Academic Advisor: Prof. Jay Gore

Residence Classification for Tuition Purposes:

Non Resident

Condition(s) of Admission

You must satisfactorily complete your undergraduate degree and submit to the Graduate School office (Young Hall, Room 170) your final undergraduate transcript. This condition must be satisfied before you will be permitted to register for sessions beyond your first session.

You must submit to the Graduate School office (Young Hall, Room 170) your original undergraduate diploma for verification. This condition must be satisfied before you will be permitted to register for sessions beyond your first session. If your undergraduate institution will not confer your degree until a future date, please obtain (and submit to the Graduate School office) a signed letter from your undergraduate institution that identifies when your degree will be awarded.

General Information

All faculty, staff and students have a career account. Your career account will give you electronic access to your @purdue.edu email account and other electronic services. This account is yours to use for as long as you are affiliated with Purdue University. You will need your PUID, which is provided in this letter, and your Purdue career account set-up password. The career account set-up password will be sent in a separate email to you within five business days of viewing your admission letter. Please access

<https://www.purdue.edu/apps/account/AccountSetup> with this information to activate your account. If you have already activated your Purdue career account, please disregard this message.

US Immigration Document: In order for the Office of International Students and Scholars (ISS) to issue you a US immigration document (I-20 or DS-2019), admitted international graduate students to Purdue University are required to complete the online NOTIFICATION OF INTENT (NOI), at the following link:<https://connect.iss.purdue.edu>. You must also attach scanned images of your official financial support documents, and you and your dependent's (if any) passport before an immigration document will be prepared and mailed.

In the section labeled "Full client Services for Students & Scholars", please click the blue Login button. Use your Purdue career account information to log in to myISS. On the left side of the myISS home page, click on Pre-Arrival, then click on Notification of Intent. You must complete all mandatory sections of the Notification of Intent, before we can begin to issue an I-20 or DS2019 for you. If you currently hold F-1 or J-1 status and are transferring to Purdue University from another US Institution, please also complete the SEVIS Transfer In Request.

International Students Interested in Graduate Teaching Assistantships: Before you may be considered for employment as a Purdue University graduate teaching assistant, you must receive certification for oral proficiency in English. Please note that any waiver of the TOEFL or IELTS (related to Graduate School admission) does not exempt students from the requirement to demonstrate proficiency in spoken English in order to be considered for a graduate teaching assistantship. Most graduate students are certified by taking Purdue's Oral Proficiency Test (the OEPT). Information about oral English certification for international students and access to the OEPT Practice Test is provided at the OEPT Orientation Website:<http://oepttutorial.org>. Make sure you have prepared for English language testing by taking the OEPT practice test, and if you have any questions about your department's English language certification requirements for international teaching assistants, please contact your department.

Important Tax Information for International Students: Each year, international students who receive any income originating from the United States are required to file a United States income tax return (Internal Revenue Tax Form 1040NR). International students pay tax on all income earned in the United States at the same rate as United States citizens. If there is a tax treaty between your home country and the United States, you may not be required to pay income taxes on a portion of your income.

Campus and Community Information: For information about Purdue University housing, and the Greater Lafayette community, visit www.purdue.edu/gradschool/admitted/relocation/.

Student Health Center: Completion of a medical history form and health insurance coverage is required. Links to the medical history form and additional health insurance information may be found at the Purdue University Student Health Center website: <http://www.purdue.edu/PUSH/>.

Housing: Purdue University Residences has housing for single graduate students in 1 person one bedroom apartments and 2 person two bedroom apartments. The space is furnished with bed, desk, and dresser for each student, and includes a kitchen with refrigerator and stove. Unfurnished one and two bedroom apartments are also available for married students or students with families. For more information, please contact the University Residences Directors' Office at ghapp@purdue.edu. <<mailto:ghapp@purdue.edu>>

Disability Services: If you need accommodations, auxiliary aids, or services because of permanent or temporary disabilities, please contact the Disability Resource Center, Office of the Dean of Students, Young Hall, Room 830, 155 S. Grant Street, West Lafayette, IN 47907. Telephone: 765-494-1247 (Voice/TTY). Web site: www.purdue.edu/drc/

Orientation for New Graduate Students: You are invited to attend a orientation for new graduate students on Friday, August 18, 2017, beginning at 9:00 a.m. in Stewart Center's Loeb Playhouse. Your graduate program may

also have an orientation or a required arrival date. If you have any questions, please contact your program prior to planning your arrival.

Any questions or required materials can be submitted to:

Purdue University Graduate School

Hello Boilermaker!

You will find your new I-20 or DS-2019 included with this packet. Please review the information below carefully as you plan your journey to the United States.

Please do not make your travel arrangements until you have your visa in hand AND you have read the information below!

Follow this link to find helpful information about traveling to the United States to begin your academic program: <https://studyinthestates.dhs.gov/getting-to-the-united-states>

Please keep the following in mind as you prepare for departure:

_____ You **may not** enter the US more than **30 days prior to the program start date that appears on Page 1 of your I-20 or DS-2019**. Please plan your travel accordingly!

_____ You must pay the SEVIS I-901 fee online prior to going for your visa appointment.
Canadians must pay the fee prior to entering the U.S. <https://www.fmjfee.com/>

_____ You must complete a **MANDATORY international student check-in** session upon arrival to protect your F-1 or J-1 Non-immigrant Status. If you haven't already done so, be sure to schedule your check-in session time at the following link <https://www.iss.purdue.edu/ocs/>

_____ You must complete the **Pre-Arrival & Orientation** e-forms **BEFORE** attending your **MISCi session**. You can do so by visiting <https://connect.iss.purdue.edu/> and submitting the "New Student Check-In (PWL)" and "Upload I-94 Arrival Record (After US Arrival)" e-forms.

_____ Please visit the following link to help with Purdue University pre-arrival questions: <http://www.iss.purdue.edu/Resources/Docs/Incoming/WOWed.pdf>

_____ You must present your **Original I-20 or DS-2019(NO COPIES), Valid Passport, Valid F1 or J1 visa and original financial documents** when entering the U.S. Please place them in your carry-on luggage, and have them in your hand when you meet with the Customs and Border Protection Officer at the Port of Entry.

_____ The I-94 *record of admission* is entered electronically for individuals entering the U.S. through air and sea ports. You may view your electronic record of admission **AFTER** you have entered the U.S. We encourage you to print your I-94 record of admission as soon as possible after entering the U.S.: www.cbp.gov/I94

We are Purdue. What we make moves the world forward.

SCHOOL ATTESTATION

I certify under penalty of perjury that all information provided above was entered before I signed this form and is true and correct. I executed this form in the United States after review and evaluation in the United States by me or other officials of the school of the student's application, transcripts, or other records of courses taken and proof of financial responsibility, which were received at the school prior to the execution of this form. The school has determined that the above named student's qualifications meet all standards for admission to the school and the student will be required to pursue a full program of study as defined by 8 CFR 214.2(f)(6). I am a designated school official of the above named school and am authorized to issue this form.

STUDENT ATTESTATION

I have read and agreed to comply with the terms and conditions of my admission and those of any extension of stay. I certify that all information provided on this form refers specifically to me and is true and correct to the best of my knowledge. I certify that I seek to enter or remain in the United States temporarily, and solely for the purpose of pursuing a full program of study at the school named above. I also authorize the named school to release any information from my records needed by DHS pursuant to 8 CFR 214.3(g) to determine my nonimmigrant status. Parent or guardian, and student, must sign if student is under 18.

INSTRUCTIONS TO STUDENTS

STUDENT ATTESTATION. You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

FORM I-20. The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

VISA APPLICATION. You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

ADMISSION. When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO.

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

REPORTING BURDEN. U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Step 5800, Washington, DC 20536-5800. Do not send the form to this address.

If you are unable to register for the session specified on the second page, please notify the graduate office of your academic program as soon as possible. Your academic program's graduate office also will be able to answer specific questions you may have concerning your admission and funding.

You already know the strengths of Purdue's graduate programs. I hope that you will come to regard the Graduate School as your second academic home during your time at Purdue University. The Graduate School has developed special programs for its students and is committed to the professional development of all Purdue graduate students. Our goal is to enhance the quality of graduate student life. The Graduate School Web site at www.purdue.edu/gradschool is your source for detailed information about our programs, graduate student government and organizations, and the community.

We hope that you choose Purdue [<https://www.purdue.edu/gradschool/advancetopurdue/>](https://www.purdue.edu/gradschool/advancetopurdue/) and join us to make what moves the world forward!

Click here [<https://gradapply.purdue.edu/apply/form?id=5327be2d-1128-4544-9696-acb76415f2a3>](https://gradapply.purdue.edu/apply/form?id=5327be2d-1128-4544-9696-acb76415f2a3) to submit your response to the offer of admission.

With best wishes for success at Purdue,

Dr. Linda Mason
Interim Dean Graduate School
Sr. Associate Dean Graduate School and Professor of Entomology
Graduate School Young Hall 170, Purdue University

Admission Information Sheet for Radhika Bhopatkar

PUID: 0030842409

Campus: West Lafayette (Main Campus)

Graduate Major: Mechanical Engineering

Course Delivery: On-Campus

Degree Objective: MS in Mechanical Engineering (MSME)

Term/Year: Fall 2018

Academic Advisor: Prof. Jay Gore

Residence Classification for Tuition Purposes:

Non Resident

Condition(s) of Continued Enrollment

You must satisfactorily complete your undergraduate degree and submit to the Graduate School office (Young Hall, Room 170) your final official undergraduate transcript. This condition must be satisfied before you will be permitted to register for sessions beyond your first session.

You must submit to the Graduate School office (Young Hall, Room 170) your original official undergraduate diploma for verification. This condition must be satisfied before you will be permitted to register for sessions beyond your first session. If your undergraduate institution will not confer your degree until a future date, please obtain (and submit to the Graduate School office) a signed letter from your undergraduate institution that identifies when your degree will be awarded.

General Information

All faculty, staff and students have a career account. Your career account will give you electronic access to your @purdue.edu email account and other electronic services. This account is yours to use for as long as you are affiliated with Purdue University. You will need your PUID, which is provided in this letter, and your Purdue career account set-up password. The career account set-up password will be sent in a separate email to you within five business days of viewing your admission letter. Please access <https://www.purdue.edu/apps/account/AccountSetup> with this information to activate your account. If you have already activated your Purdue career account, please disregard this message.

What is myPurdue? www.mypurdue.purdue.edu is the portal system where you can access your academic and financial account information. You will need your career account login and password to log in to myPurdue. Some of the benefits of myPurdue include:

- Online course registration in real time
- Online credit card payment for tuition

-Access to your financial aid information

-Access to review and update your personal information such as emergency contacts, mailing address, email, ethnicity & race, and gender identity

US Immigration Document: In order for the Office of International Students and Scholars (ISS) to issue you a US immigration document (I-20 or DS-2019), admitted international graduate students to Purdue University are required to complete the online NOTIFICATION OF INTENT (NOI), at the following link:<https://connect.iss.purdue.edu>. You must also attach scanned images of your official financial support documents, and you and your dependent's (if any) passport before an immigration document will be prepared and mailed.

In the section labeled "Full client Services for Students & Scholars", please click the blue Login button. Use your Purdue career account information to log in to myISS. On the left side of the myISS home page, click on Pre-Arrival, then click on Notification of Intent. You must complete all mandatory sections of the Notification of Intent, before we can begin to issue an I-20 or DS2019 for you. If you currently hold F-1 or J-1 status and are transferring to Purdue University from another US Institution, please also complete the SEVIS Transfer In Request.

International Students Interested in Graduate Teaching Assistantships: Before you may be considered for employment as a Purdue University graduate teaching assistant, you must receive certification for oral proficiency in English. Please note that any waiver of the TOEFL or IELTS (related to Graduate School admission) does not exempt students from the requirement to demonstrate proficiency in spoken English in order to be considered for a graduate teaching assistantship. Most graduate students are certified by taking Purdue's Oral Proficiency Test (the OEPT). Information about oral English certification for international students and access to the OEPT Practice Test is provided at the OEPT Orientation website: <http://tutorial.ace-in-testing.com/Default.aspx?p=videos>. Make sure you have prepared for English language testing by taking the OEPT practice test, and if you have any questions about your department's English language certification requirements for international teaching assistants, please contact your department.

Important Tax Information for International Students: Each year, international students who receive any income originating from the United States are required to file a United States income tax return (Internal Revenue Tax Form 1040NR). International students pay tax on all income earned in the United States at the same rate as United States citizens. If there is a tax treaty between your home country and the United States, you may not be required to pay income taxes on a portion of your income.

Campus and Community Information: For information about Purdue University housing, and the Greater Lafayette community, visit www.purdue.edu/gradschool/admitted/relocation/.

Student Health Center: Completion of a medical history form and health insurance coverage is required. Links to the medical history form and additional health insurance information may be found at the Purdue University Student Health Center website: <http://www.purdue.edu/PUSH/>.

Housing: Purdue University Residences has housing for single graduate students in 1 person one bedroom

apartments and 2 person two bedroom apartments. The space is furnished with bed, desk, and dresser for each student, and includes a kitchen with refrigerator and stove. Unfurnished one and two bedroom apartments are also available for married students or students with families. For more information, please contact the University Residences Directors' Office at ghapp@purdue.edu. <<mailto:ghapp@purdue.edu>>

Disability Services: If you need accommodations, auxiliary aids, or services because of permanent or temporary disabilities, please contact the Disability Resource Center, Office of the Dean of Students, Young Hall, Room 830, 155 S. Grant Street, West Lafayette, IN 47907. Telephone: 765-494-1247 (Voice/TTY). Web site: www.purdue.edu/drc/

Orientation for New Graduate Students: You are invited to attend a orientation for new graduate students on Friday, August 17, 2018, beginning at 9:00 a.m. in Stewart Center's Loeb Playhouse. Your graduate program may also have an orientation or a required arrival date. If you have any questions, please contact your program prior to planning your arrival.

Any questions or required materials can be submitted to:
Purdue University Graduate School
Office of Graduate Admissions
Young Hall Room 170
155 South Grant Street
West Lafayette, IN 47907

Sub: - Approval of Research Project,

Dear Sir/Madam,

Thank you for your willingness for research study with CPR, Pune and submission of research application. It gives us pleasure to inform you that your research proposal has been approved. The CPR, Pune has deemed that your study can proceed.

Kindly submit a synopsis of research study as early as possible.

You are reminded that:

1. Your approval to conduct this research will expire after six months of approval date.
2. You must apply for and be granted continued approval for this study before that date in order to be able to conduct your study in an uninterrupted manner.
3. All research must be conducted in accordance with this approved submission. Any modification to the study as approved must be reviewed and approved by CPR, Pune.
4. All Rights over the research finding are reserved by CPR & Researcher.
5. The Managing Director, CPR will have full rights to use the thesis submitted by the Research Fellow for academic / training purposes. Copyright of the thesis of Research Fellow vests with the CPR.
6. No part of the thesis in full or part will be made available by the Fellow to any individual or organization, whether private or public, in any form or by any means, electronic or mechanical, including photocopying, recording, or by any information storage and retrieval systems, without permission in writing from the Director, CPR.
7. Any violation of the Rules will entail refund of the entire Fellowship Grant by the Fellow.
8. The Decision of the Managing Director, CPR will be final in the case of any dispute.
9. All disputes shall be subjected to jurisdiction of Pune Courts.

Best Wishes,

(Anand Bhoite)

RESEARCH PROPOSAL

When preparing a research proposal, it is essential that the proposed area of research is clearly articulated. Consulting with a faculty member in the research area of interest is recommended, but not necessarily required. Liaising with an academic who specializes in your proposal topic will help to strengthen the overall direction of the research.

- Length of Proposal: This is a "brief" research proposal and should be between 2 and 3 pages long. For contextual purposes, in grad school, the length can range from 10 to 25 pages in length!
- The following outline may be used as a guide. You should consider each of the areas that will be relevant to your research.
- Format: 12 point, Times New Roman, Single Space.

Working Research Title

An initial working title should be provided and should describe the content and direction of your project.

For example: A Study on Cyber Crime Committed Against Women in Pune City during the last five years, Automatic Number Plate Recognition.

Abstract

Short 150 word description that describes the research proposal; a quick statement on goal, method and expected outcomes.

Introduction

Give us a summary of the research, high level overview and purpose of research.

Research Goal / Objective:

What do you want to know, prove, demonstrate, analyze, test, investigate or examine? List your project goals...for example...

- The goal of this research is to:
 - Illustrate a new methodology/architecture/product/invention that has never been built before
 - Determine the efficacy of your new method/architecture/product/invention
 - Creation of a research roadmap as it pertains to my new method/architecture/product/invention

Background and/or Theories

What is already known or unknown? What past research are you building upon?

Hypotheses (optional)

Depending on the nature of your research, hypothesis might not be stated up front. For example, if you choose a qualitative research method that leverages grounded theory, then the "theory" is an emergent property at the END of your research (i.e., a theory is developed inductively not deductively when using grounded theory). However, if your method is Quantitative or Design Science oriented, then you should include verbiage upfront in your proposal that discusses what your hypothesis (or hypotheses will be).

Methodology

What method will you use? What do you need? (specify any special equipment, software or material) Can you access necessary data or expertise? Do you require particular resources? Are there barriers or pitfalls? Does the project involve humans, animals or safety implications? Is travel or fieldwork required? If so, where to, how long and at what intervals?

Timetable

Indicate the estimated timeframe for each stage considering literature surveys, data collection, production, modelling, review, analysis, testing, reporting milestones, and research submission date.

Expected conclusions, implications or justifications

Why is it important? What do you expect it will deliver? What are the expected outcomes? Establish the importance of your project by highlighting its uniqueness/inventiveness and why it is worth pursuing. Highlight the benefits, positive expected outcomes or innovative applications of knowledge.

Requirements from CPR, Pune

- Providing letters for visit and study their day to day activities
- Interview permissions
- Registered case studies data

References

A references section is required.

Received 20 June 2018; Accepted 05 November 2018;

Publication 10 December 2018

Abstract

For promising outcome in auto industries, scheduling place a vital role for effective utilization of jobs allocate to machine. Jobs and machines are two attributes need to schedule for minimize makespan time, for each job we need to schedule the machine. Each job in a machine has its own process time, manipulation of all process time said to be makespan time that should minimized. Job shop scheduling is an effective tool incorporate with NP hard problems to achieve minimized makespan time. To achieve minimized makespan time optimization involve in this process those are namely Grey Wolf Optimization (GWO), Particle Swarm Optimization (PSO) and Social Spider Optimization (SSO). While applying these aforementioned optimization techniques, they reveal minimized makespan time compare with benchmark problems. Amid, SSO revels minimized makespan time for all twelve-bench mark problems compare with other competitive algorithm namely GWO and PSO. These techniques play a vital role to regulate the emissions during real time auto industries trial and error process on job shop scheduling. Therefore, the soft computing techniques contribute significant part on conserving environment from air pollution.

This is to certify that **Ms. Aditi Lonkar** has performed her internship with Siemens Industry Software (India) Pvt Ltd, Balewadi, Pune

College: MKSSS's Cummins College of Engineering for Women, Pune.

Duration of Internship: .2 Months

Topic of study: Application Development using **Mendix**.

Task performed:

1. Developing a Single Page Application using **Mendix** Platform.
2. Fetching and parsing Teamcenter data in Mendix Application.

Mentor: Alok Laharia

We wish her success in all her future endeavors.

With Best Regards,
For Siemens Industry Software (India) Pvt. Ltd

Subject: Internship

Dear Tejaswee Khare

This is with reference to your application for internship project with Eaton.

We are pleased to offer you Internship project with us on the following terms and conditions:

Your project will be for a period starting from **May 20, 2019 – July 19, 2019**. During the training period you will be paid stipend of **Rs.10,000 Pm**. You will have to make your own arrangements for lodging etc. However, you may use the Company's transport subject to the rules governing the use of such transport.

- You may also avail of our canteen facility. You can collect meal cards worth Rs. 1500/- PM from HR Department
- Your work timings will be from 9 am to 6.30 pm daily or as informed to you on joining.
- During the internship period you will be guided by **Shailendra Fuloria**, who will provide you guidance necessary to carry out in project allotted to you by the company
- You will be required to sign a daily attendance register.
- At the end of your assignment, you will have to submit a written project report to your project guide, based on your study, the topic of which will be decided at the beginning of your assignment.
- Please note that your study report(s) would be subject to the following rules:
 1. It would be submitted to your Institute only after the Company has given written permission.
 2. You would refrain from making any presentations in writing or orally using the Company information contained in the study report(s) in any form. Exceptions to this would be made with a prior application from you and after approval is given by the Company.
 3. You would refrain from publishing any part of the report(s) / drawings unless the Company against a specific application approves it made by you.

The terms and conditions of your training mentioned above are extended to you at the discretion of the Company.

If the above terms and conditions are acceptable to you, kindly sign this letter and send us the duplicate of this letter on the date of joining.

You are required to report to our HR Dept. on **May 20, 2019** at **Eaton India Innovation Center LLP, Magarpatta City SEZ Material Gate 1 (Opposite to Trillium Society), Magarpatta City, Pune 411013, Maharashtra, India**, to complete all formalities related to form filings.

You are requested to bring two copies of your passport size photographs at the time of joining

We look forward to having you with us for training.

Regards,

For EATON INDIA INNOVATION CENTER.

Sumita Rebelic
Manager - Talent Acquisition Center (India)

I accept the terms and conditions mentioned in the above offer. The original of this letter is in my possession. I shall report on

Abstract of work during Internship Training by Kalyani Markandeya

Kalyani has worked on "PLC code: Static analysis and tools" as her internship project. Intention of this study project is to understand the need and benefits of static analysis of PLC code for automation field. This study includes understanding, exploring of static analyzers for different PLC's. The aim of this study is to get generalized static analysis steps for PLC codes and to improve quality of the product developed at iepl.

During her research for this project, Kalyani has actively explored and tested the different sets of PLCs & static analyzers available in respective IDE's. She has interacted well with sales team of Itr automation for PLC checker study. Also explored the possibilities of analysis for PLC Arcade.

In parallel, she also explored ifm devices like 3D cameras and vision sensors. This shall help her in her future projects.

Hi Sir,

It was a nice meeting with you and your team yesterday. Please find the attached thesis we discussed. Chapter-3 discuss on the problem we will be modelling.

As discussed, we will create the geometry and mesh and will send you the initial case file.

Thanks and Regards,
Lubeena

To: Parag Chaware <parag.chaware@cumminscollege.in>

Cc: Abhishek Maharia <abhishek.maharia@tridiagonal.com>, Ashish Kulkarni <ashish.kulkarni@tridiagonal.com>

Hi Sir,

We have created the geometry and mesh and set up the case with VOF model. Please find the case file and post processing journal here.

<https://drive.google.com/file/d/1pMUx9Z5kgBKFBJKTihNA29xfmphYAW2g/view?usp=sharing>

You need to keep the .jou file in the same directory. Out files are added in the case file for comparing the results with experimental data. We are also running a case with a coarser mesh, so we can study the effect of mesh size.

After getting the results of these two runs, we will discuss on next steps. Please let us know if you have any queries in the geometry/mesh/ case setup. We can have a web meeting to go through this.

Please let us now.

Thanks and Regards,
Lubeena

HR Manager

VALVOLINE CUMMINS PRIVATE LIMITED

(Formerly known as Valvoline Cummins Limited)
Company Identification No. : U74999DL1994PTC062425

Date: January 5, 2017

Letter of recommendation

To whom so ever it may concern

We have gone through the Project proposal entitled 'Experimental investigation for developing cost effective method to predict remaining useful life of engine oil' submitted by Dr. Anand Bewoor and Harish Shinde of MKSSS'S Cummins College of Engineering for Women, Pune for research funding.

Earlier research results demonstrated that further research is needed in predicting remaining useful life of engine oil to fully grasp the phenomenon. This proposed project will contribute to answering some of these questions. We believe proposed project will benefit to community/research in general and also the end user.

We are pleased to support this research project. A brief profile of my organization is summarized below:

- Name of Organization: Valvoline Cummins Private Limited
- Line of Business: Manufacturing & Marketing of Lubricants
- No. of employees: 400+
- Annual Turnover: INR 1200 Crores

We hope funding to this research proposal will be of help to complete the said research.

With Best Regards,

SK Mukherjee
Chief Technology Officer

Subject : Sponsorship of project.

Respected Sir/ Madam,

We hereby confirm that we have decided to sponsor the following students for our project

1. Aditi Umesh Joshi : 4210
2. Apeksha Shivanand Lawand : 4216
3. Vrushali Vikram Khatte : 4215

We will provide full financial and technical support and guidance for the project.

The name of the project is Mobile Crane Telematics and it involves embedded system design, the required firmware and software.

We also allow the students to take the project out of our company premises .
The guide from our side would be Mr. Yogeshwar Bodas Sir.

Sub : Sponsorship of Final Year Project

Dear Sir,

We are an embedded company involved in developing various embedded products and tools. Following group of students approached us for final year project sponsorship for academic year 2018-19. They liked the idea of our 'IOT based portable weighing scale'. This idea has come from our customer requirement. And we feel these students are capable of handling the same. Thus we decided to sponsor them for our project.

Following students are doing the project

1. Ms. Pooja Katariya
2. Ms. Mridula Khade

Following Conditions are set for the students for working on this project :

1. Students will work from their site or at SPJ office.
2. Project completion is the students responsibility. We will provide guidance and help where ever possible.
3. They will do this project at no cost to SPJ. They will not be paid any amount for working on this project.
4. SPJ will hold an intellectual property right (IPR) on the output of your work anywhere during project phase. However SPJ is not in any way responsible for any of your legally prohibited acts.
5. During or after your engagement with SPJ you/they will not publish, disclose, use or authorize anyone else to publish, disclose or use without proper written authorization by the Director of SPJ any private, confidential or proprietary information that you may have in any way acquired, learned, developed or created by reason of your engagement with SPJ. Necessary legal action will be taken on you for your inability to abide by this term of the appointment.
6. They will submit one copy of your industrial training project report to SPJ and submit an identical copy there of to your college.

Date:

This is to certify that **Ms. Sourabhi Rajiv Dardi** Student of Cummins College Of Engineering for Women, Pune has completed her internship at Yantrashilpa Technologies Pvt Ltd from 6-May-2019 to 6-July-2019.

She completed all the assigned work with extreme proficiency and dedication. The skills she displayed during the internship period like knowledge about instrumentation ,communication protocols, power electronics, programming and basic computer applications like word, powerpoint , paint etc ensure her value addition to the entire industry. Along with these she assembled ,tested and calibrated all of our products with extreme precision.

We wish her best of luck for future endeavors. We hope she becomes a skilled engineer and helps the industry with the same level of dedication she has shown during her internship.

Mr. Santosh Pavan Kumar, M.TECH(NIT)

Founder, The Brilliant Minds Pvt. Ltd.

Former, Design Engineer at NXP Semiconductors.

Date: 6th July, 2019

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Miss. Swati Binay Srivastava has done her internship in **The Brilliant Minds Pvt. Ltd. (Product Designing, Projects & Consulting)**, Pune from 06th May 2019 to 06th July 2019 (duration of two months).

She has worked on a project titled '**Real Time Face Recognition system using the OpenCV & Raspberry Pi**'.

Short description of the Project:

Face Recognition is getting increasingly popular and most of us are already using it without even realizing it. Be it a simple facebook tag suggestion or snapchat filter or an advanced airport security surveillance, face recognition has already worked its magic in it. The advantage of installing this system on portable Raspberry Pi is that you can install it anywhere to work it as surveillance/authentication system.

During the internship she demonstrated good design skills with a self-motivated attitude to learn new things. Her performance exceeded expectations and was able to complete the project successfully on time.

We wish her all the best for her future endeavours.

Mr. Anil Kumar

CERTIFICATE FROM ORGANIZATION

Project Partner Agreement

This Agreement

is made on 30/10/18

Between

A) lotus.in

Located at COEP's Bhu Institute, Wellesley Rd, Shivajinagar, Pune 411005
Maharashtra, India

AND

B) Engineering Students (herein referred to as Project Development Partner 'PDP') to be located in Pune.
Details of PDP:

Sr no.	Name	E-mail	Contact no.	College
1	Kausar Akhavanala	kausar.akhavanala@coepcollege.in	7756808026	
2	Rishita Bansal	rishita.bansal@coepcollege.in	9503810913	
3	Prachi Chavan	prachi.chavan@coepcollege.in	9049333321	
4	Pratiksha Kothavade	pratiksha.kothavade@coepcollege.in	830897096	

Exhibit 1:

Whereas lotus.in offers certain business solutions, including the products manufactured and distributed by lotus.in; and

Whereas PDP wishes to research and develop those solutions under the terms and conditions set forth in this 'Agreement'; and

Whereas PDP shall use its best efforts to research and develop solutions for lotus.in to market the solutions or use in-house for betterment of office use.

Whereas lotus.in would provide sponsorship, consultancy, guide and materials to PDP, and for which PDP would take care of materials and would be responsible for completion of projects.

Now therefore, for and in consideration of the mutual covenants and obligations set there herein, the parties hereto agree to the following terms and conditions (the "Agreement").

1. Consultancy

1.1 PDP is hereby appointed as an sponsored project development partner to research and develop solutions described in Exhibit 1; in accordance with the terms and conditions authorized by lotus.in.

1.2 lotiot.in would provide guidance and sponsorship to accomplish the project, but PDP will have to indulge themselves in research and development of project.

1.3 PDP will have to submit progress reports related to the guidance provided.

1.4 PDP shall understand that its appointment as sponsored project development partner may be subject to exclusive relationships that lotiot.in may have entered into with other entities.

2. Research Program

2.1 PDPs would have to put themselves into research on project and have to find solution for accomplishing the project.

2.2 PDP would use its college resources to research for project development

2.3 lotiot.in would assist in finding solutions when PDPs are stuck in between.

2.4 lotiot.in would provide necessary materials, books, softwares, etc. for research of project.

2.5 PDP during the tenure of this Agreement shall not market or promote any similar solutions to any other entity.

3. Design Program

3.1 PDP will have to complete the project with designing and assembly of idea.

3.2 lotiot.in would provide materials and will bear expenses for any materials during the design program.

3.3 PDP will have to use the materials for development and design of idea, and will not misuse or forward the material to any other entity.

Exhibit 2

Terms and conditions for PDPs:

Date of joining:

Date of solution submit

By 20/10/19 PDP has to submit complete documentation related to project idea research, which will put guide way to develop the system.

Note: If PDP fails to submit solution on this date lotiot.in holds the rights to terminate this agreement.

Date of 1st demonstration

PDP has to give first demonstration of system by: 30/01/19

Date of 2nd demonstration

PDP has to give second demonstration of system by: 28/2/19

Date of completion

PDP has to complete this project by : 30/12/19

Idea publicity

PDPs are not allowed to publicize the project details in any form, except their respective project guide. PDPs will maintain the idea & details as opaque object with public and would take care of secrecy. PDPs can reveal the details only after project completion.

Note: Iotiot.in are allowed to take strict actions, in case secrecy is not maintained.

Reporting

PDPs has to report 3 times every week to Iotiot.in project manager on personal meetings. PDPs has to maintain a register for reporting and material taken along with signature of Iotiot.in project guide.

Note: At any points of time during project development project manager holds the right to terminate the agreement on the basis of personal eccentric nature of PDP, technical incapability, frequent delaying on reporting or finds PDP not taking interest in project development.

Accomplishment of Project

With accomplishment of project, PDPs would get Individual certificates for accomplishment of project.

Copyrights

Iotiot.in will hold all the rights for the idea and project developed.

Project Material

PDP has to submit all the material back to Iotiot.in after demonstration to their college project guides.

Publications

PDPs are free to publish papers about their work done on the project. Also they can present projects in various exhibitions and competitions.

Termination

In case of termination of this agreement due to any reasons, Iotiot.in will not provide any certification of project work. PDP has to submit back all documents and materials to Iotiot.in.

Both the parties Iotiot.in & PDP hereby agree to this uphold the Terms & Conditions in this Agreement.

Hi Sir,

It was a nice meeting with you and your team yesterday. Please find the attached thesis we discussed. Chapter-3 discuss on the problem we will be modelling.

As discussed, we will create the geometry and mesh and will send you the initial case file.

Thanks and Regards,
Lubeena

Cc: Abhishek Maharia <abhishek.maharia@tridiagonal.com>, Ashish Kulkarni <ashish.kulkarni@tridiagonal.com>

Hi Sir,

We have created the geometry and mesh and set up the case with VOF model. Please find the case file and post processing journal here.

<https://drive.google.com/file/d/1pMUx9Z5kgBKFBJKTihNA29xfmphYAW2g/view?usp=sharing>

You need to keep the .jou file in the same directory. Out files are added in the case file for comparing the results with experimental data. We are also running a case with a coarser mesh, so we can study the effect of mesh size.

After getting the results of these two runs, we will discuss on next steps. Please let us know if you have any queries in the geometry/mesh/ case setup. We can have a web meeting to go through this.

Please let us now.

Thanks and Regards,
Lubeena
